PRODUCT DESCRIPTION

ONO TABLE

DESIGN | THIS WEBER, 2009

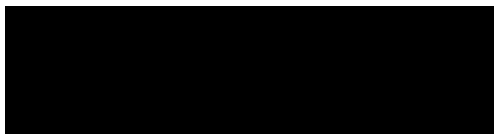

The Ono family is where tradition and knowhow meet contemporary design at the highest quality standards. The iconic Ono table is an ideal solution for cafeterias and eating scenarios, combining stability, unique design and clever construction. It is also available as a coffee table, round or rectangle. It is available in beech, oak or walnut on request. The Ono range also consists of a chair, barstool and coffee table.
