

WING

PRODUCT DATA SHEET

WING

DESIGN: DIETIKER, 2016

Wing Chair is the perfect lounge program for the relaxing hours. With its wide back, the lounge family conveys comfort and provides optimum support. The feet are available in solid wood in beech or in oak. The seat can be easily removed for cleaning purposes. Optionally available as swivel chair available on a polished aluminum star base.

TECHNICAL DATA

CONSTRUCTION

Easy chair/Sofa: Dietiker Comfort upholstery, shell and armrests upholstered, removable seat, feet in beech, with glides

Stool: Matching the easy chair Wing, comfort upholstery with cold foam, feet in beech, with glides

CONFIGURATIONS

Standard: Easy chair/Sofa: Upholstered shell
Upholstered seat, back and closed armrests

Stool: Seat upholstered

Option: Flame retardant foam padding
Swivel star base in polished aluminium

TYPE OF WOOD

WOOD SURFACE TREATMENT

Stained with highly light-fast, water-based stain (dye/pigment) on request.

Coated with 2-component, water-based polyurethane lacquer that has excellent light-fast properties and acts as a UV filter.

Meets highest standards according to DIN 68861 and complies with increased fire safety requirements (flame-retardant).

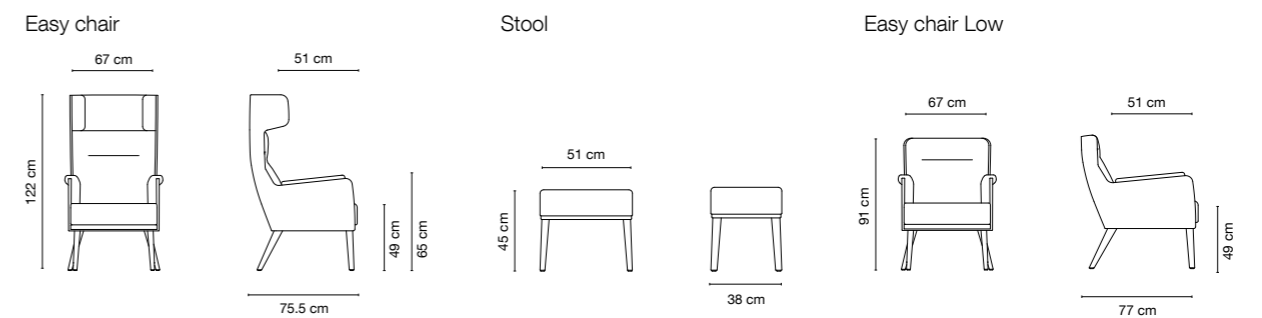

The same applies to solvent-based coatings used on oak.

GLIDES

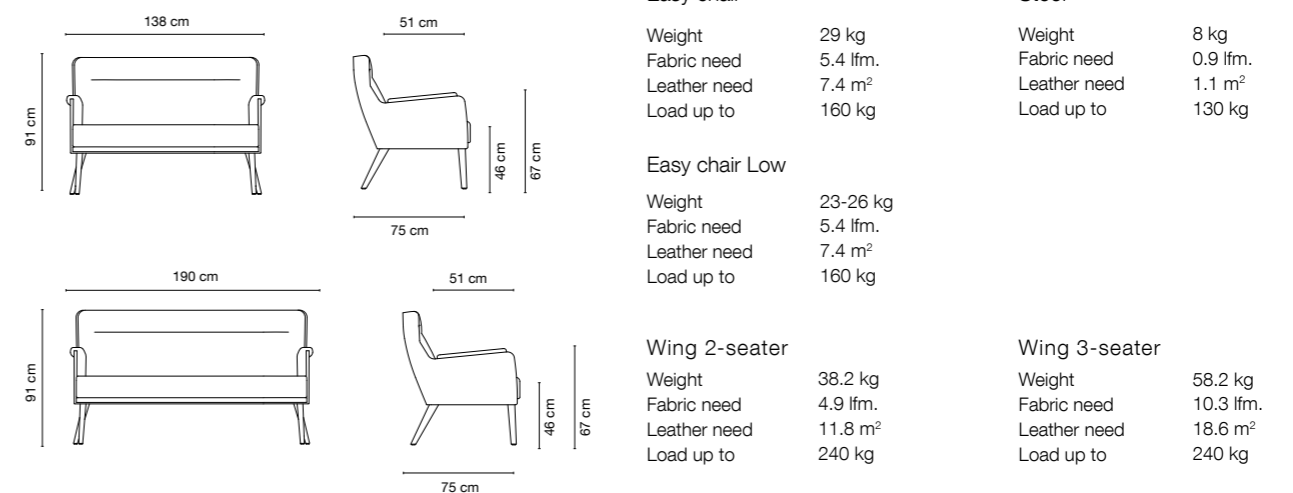

Standard: Plastic

Option: Other types of glides
