PRODUCT DATA SHEET

# KERTA

DESIGN: DIETIKER, 2007

---

The Kerta table is a pure and light wooden range for cafeterias and canteens. Thanks to its engineered console connecting feet and top, the Kerta is able to retain clear and reduced design with no intrusive connections. It is available in HPL and veneer.

## TECHNICAL DATA

---

### CONSTRUCTION

---

Clear, streamlined design  
Hidden brackets fasten the legs to the table top  
The bracket mounting plates are milled flush with the table top

---

### TABLE TOP

---

Base panel SPAN E1 28 mm, optionally with synthetic resin or veneer finish

---

### WOOD SURFACE TREATMENT

---

Stained with highly light-fast, water-based stain (dye/pigment) on request.  
Coated with 2-component, water-based polyurethane lacquer that has excellent light-fast properties and acts as a UV filter.  
Meets highest standards according to DIN 68861 and complies with increased fire safety requirements (flame-retardant).  
The same applies to solvent-based coatings used on oak.

---

### GLIDES

---

Standard: Plastic  
Option: Felt
