«-MEN»-COLLECTION

DESIGN: GREUTMANN BOLZERN, 2000 (NOMEN 2014)

The chair series «-men»-Collection, designed by the Studio Greutmann Bolzern, consists of Oneman, Twomen and Nomen. It is a masterpiece of Swiss engineering from Dietiker, timeless and elegant. Its patented screwless wood-metal connection makes it one of the strongest of its kind. The family is an innovative seating solution for seminar rooms, congress halls or theaters. All models are stackable with writing tables, armrests easy to retrofit.
