# PORO ATELIER

DESIGN: DIETIKER, 2016

---

The Poro-line combines an uncomplicated seating concept with elegant simplicity. The latest member of this family is the Poro Atelier chair distinguished by its clear lines, durability and comfort. The studio chair is adjustable in height. The five-star base is available in black plastic or polished aluminium. Optionally available with castors.

## TECHNICAL DATA

---

### CONSTRUCTION

---

Swivel chair with five-star base in black plastic  
Option: five-star swivel base in polished aluminium  
Moulded plywood seat shell, 9-ply  
Height-adjustable rotating column (130mm) with shock absorbing suspension  
Plastic castors, black. Option: Load dependent double castors with bandage in polyurethane

---

### CONFIGURATIONS

---

Standard: Moulded plywood shell in beech  
Option: Shell with inlaid upholstery  
Shell with inlaid seat upholstery  
Shell fully upholstered  
Flame-retardant foam padding

---

### TYPE OF WOOD

---

Standard: Beech  
Option: Oak

---

### METAL SURFACE TREATMENT

---

Standard: Black varnished  
Option: Polished aluminium

---

### WOOD SURFACE TREATMENT

---

Stained with highly light-fast, water-based stain (dye/pigment) on request.  
Coated with 2-component, water-based polyurethane lacquer that has excellent light-fast properties and acts as a UV filter.  
Meets highest standards according to DIN 68861 and complies with increased fire safety requirements (flame-retardant).  
The same applies to solvent-based coatings used on oak.

---

### GLIDES

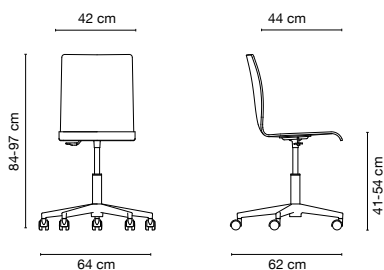

---

Standard: Plastic black  
Option: Plastic castors, black

---

### DIMENSIONS

---

Weight	7.5 - 8.2 kg
