# PORO

DESIGN: DIETIKER, 2007

---

The Poro line pairs highest comfort to an convincingly easy solution with elegant simplicity. The Poro chair is an easy to handle seminar or cafeteria solution: In a single chair, Poro combines all the functions required for seminar needs with simplicity and durability and the highest level of comfort. Available in beech, CPL and with optional upholstered shell. Poro comes as a seminar-, cafeteria-, studio- and a bar stool or as a lounge. Poro is offered with row connection, numbering solution and transportation accessories.

## TECHNICAL DATA
